Problem Solving With C++ (10th Edition)
For courses in C++ introductory programming. Learn the fundamentals of C++ programming with an emphasis on problem solving. Now in its 10th Edition, Problem Solving with C++ is written for the beginning programmer. The text cultivates strong problem-solving skills and programming techniques as it introduces readers to the C++ programming language. Author Walt Savitch’s approach to programming emphasizes active reading through the use of well-placed examples and self-tests, while flexible coverage means the order of chapters and sections can easily be adapted without sacrificing continuity. Savitch’s clear, concise style is a hallmark feature of the text and is supported by a suite of tried-and-true pedagogical tools. The 10th Edition includes ten new Programming Projects, along with new discussions and revisions. Also available with MyLab Programming. MyLab Programming is an online learning system designed to engage students and improve results. MyLab Programming consists of programming exercises correlated to the concepts and objectives in this book. Through practice exercises and immediate, personalized feedback, MyLab Programming improves the programming competence of beginning students who often struggle with the basic concepts of programming languages. Note: You are purchasing a standalone product; MyLab Programming does not come packaged with this content. Students, if interested in purchasing this title with MyLab Programming, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyLab Programming, search for: 0134710746 / 9780134710747 Problem Solving with C++ Plus MyLab Programming with Pearson eText -- Access Card Package, 10/e Package consists of: 0134448286 / 9780134448282 Problem Solving with C++ 0134522419 / 9780134522418 MyLab Programming with Pearson eText -- Access Card -- for Problem Solving with C++, 10/e

**Book Information**

Paperback: 1120 pages  
Publisher: Pearson; 10 edition (February 20, 2017)  
Language: English  
ISBN-10: 0134448286  
Product Dimensions: 7.3 x 1.5 x 9 inches  
Shipping Weight: 1.4 pounds (View shipping rates and policies)
